

The Golden West Chapter of The ALS Association is dedicated to providing people with ALS and their loved ones with compassionate and professional care services, free-of-charge, made possible by you. We offer essential information, support, and resources proven to increase longevity, enhance quality of life, help with the daily challenges of living with ALS, and advance ALS research.

2,000

Nearly **2,000 people with ALS** and their loved ones were served by the Golden West Chapter in 31 counties throughout California and the entire state of Hawaii.

31

Collaborated with **31 ALS clinic partners**, including Certified Treatment Centers of Excellence and Recognized Treatment Centers, to seamlessly provide quality multidisciplinary care.

465

465 people newly diagnosed with ALS connected with the Chapter, and gained access to our evidence-based wraparound model of care.

Special support group offerings for focused communication and services, including LGBTQIA, Spanish speakers, bereaved families, and those under age 50 living with ALS.

The number of families facing ALS who are seeking Golden West Chapter services continues to grow every year. On average, **we are serving more than 90% of the predicted ALS population across our service area.**

190

190 military personnel and veterans with ALS, as well as their families, received access to vital care services and support offered by the Golden West Chapter.

1,500+

Our "ASK ME" educational webinars were **viewed more than 1,500 times** through live broadcasts and on-demand via our social media channels.

32,000+

Achieved **more than 32,000 engagements** between Golden West Chapter staff and individuals and family members living with ALS.

8,500+

8,500+ people viewed our Chapter's care services webpages or downloaded/ordered new educational materials, resource guides, and information packets.

833

Provided **833 grants to people with ALS** for durable medical/communication equipment needs, transportation support, emergency assistance, and respite care.

Added real-time translation services to better serve non-English individuals and speaking families.

1,180+ attendees

The Golden West Chapter **held more than 150 online support groups**, with **nearly 1,200 participants.**

Your support makes a difference. It is only together that we will defeat ALS.
